THE BUS 4x4 DAILY TRIP

*"I love a sunburnt country, a land of sweeping plains,
Of rugged mountain ranges, of droughts and flooding rains.
I love her far horizons, I love her jewel-sea,
Her beauty and her terror - the wide brown land for me!"*
- Courtesy to Dorothea Mackellar from My Country.

DID YOU KNOW ?

Population zero after the last resident Simon Remienko passed away in 2004. It was in the news recently due to a Brisbane panel beater, Robert Haken who is restoring the near-century old watering hole, the Betoota Hotel to serve it's first beer in over two decades.

Betoota lies 170 km east of Birdsville on the Birdsville Developmental Road.
