BUS 4x4 AWD CONVERSION OF HIACE SLWB VAN

Bus 4x4 completed the first Hiace SLWB Van Conversion in March for a customer who intends to convert it into a 4x4 campervan. Also, the new 6 Speed Coaster has been launched in Australia with the Vehicle Stability Control feature. Read more in detail below.

Warm Regards from **The Bus 4x4 Team**

BREAKING NEWS

NEW 6 SPEED COASTER

Toyota has launched the new 6 Speed Coaster in Australia. Apart from the automatic transmission available in both Std and Deluxe models, a few extras have been added including Vehicle Stability Control which is getting to be a requirement for most Australian mine sites.

For more details of the **Bus 4x4 AWD Conversion of Coaster**, call **+61 7 3276 1420**.

QUEENSLAND HIDDEN GEMS

Queensland is a place like no other. It has rainforests, beaches, waterfalls and fossil sites which many people are still not aware of.

Bus 4x4 ran a campaign called **The Top 30 Places in Queensland you may not be aware** in 2020. We hand-picked 25 places and invited our readers to suggest the balance 5 places to complete the Top 30 into an e-book.

Click to read or download the free e-book and **email enquiries@bus4x4.com.au if you have any suggestions.**

DID YOU KNOW ?

There is not much to be said of Oodnadatta that has not been said before, including the iconic 620km Oodnadatta Track. This outback town is also known for the 'Pink Roadhouse', the isolated outback service station, and for the hottest summer temperature of 50.7°C in 1960.

Oodnadatta is located 200 kms north of Coober Pedy and 873 kms from Adelaide.

NEWS AND VIEWS FROM AROUND

BYRON BAY

As the **#vanlife** phenomenon explodes in popularity across the globe, not everything is roses for small towns in Australia. Residents are finding themselves bearing the brunt of tourism's ugly side. Read the story of how Byron Bay has found itself fighting for sanity.

COVID TRAVEL

Even with the vaccine rollout, one in three destinations worldwide are still closed to international tourists. However, unlike 2020, partial borders are being opened to proof of a negative Polymerase Chain Reaction (PCR) which is accepted by most countries.
