BUS 4x4 UPDATES

Bus 4x4 Workshop Highlight

This unique vehicle was delivered to our customer late last year, and is now back in our workshop for a winch bar and swivel seat.

Bus 4x4 Conversions

As the wetter months approach in Queensland, we have been busy building professionally engineered and reliable 4x4 conversions of Toyota HiAce and Toyota Coaster for our clients operating in remote areas.

Our custom built 4WD vehicles are manufactured and certified under Second Stage of Manufacture Type Approvals issued under the Road Vehicle Standards Act 2018 (RVSA), and are built to meet all your off-road challenges.
