## Bus 4x4 Updates

With the end of financial year craziness finished, we are gearing up for a cracker second half of 2023. We've already had the opportunity to demonstrate our vehicles at the recent World Mining Congress in Brisbane. Our team had a fantastic time connecting with industry partners and sharing our vehicles on the global stage. If you're looking to connect with us in person, we will be at the upcoming AFAC23 conference in Brisbane and AIMEX in Sydney. We will be running attendee only competitions at both conferences, so get along and say G'day to the Bus 4x4 team. To stay up to date on these competitions and how to get involved, make sure to follow us on [Facebook](#), [Instagram](#), [LinkedIn](#), and [Twitter](#).

From transforming the vehicle's interior to adding 4x4 capabilities with the help of our professionally engineered 4x4 Conversion Kit, our team has been working hard to build conversions that are as comfortable as they are stylish.

We've teamed up with the Variety Bash this year to host the Top Hat Lounge, a hosted bus ride allowing you to experience the Variety Bash from the comfort of a Bus 4x4 commuter.
