Happy New Year!

Like other years, 2024, brings new trends, insights and opportunities for many industries, our team is excited to be a part of this. Our promise of high quality 4x4 conversions and people movers remains the same, and our team continue to engineer Australia's most capable 4x4 vehicles.

For our latest updates or any enquiries, connect with our team via [our website](#) or our social media pages.

Warm Regards,
Bus 4x4 Team.

BUS 4x4 UPDATES

The New Year is in full swing! Our team are very excited to be back and are eager to serve your 4x4 needs this new year.

4xOverland: Toyota HiAce vs. LandCruiser

Looking for something new to watch in 2024?

Follow along as filmmaker Andrew St Pierre White builds, tests, and compares a Toyota LandCruiser 70 to a Bus 4x4 converted Toyota HiAce. His mission? To find out which vehicle he will use for his upcoming trip around Australia. The 4xOverland team are excited to say the least!

Make sure you subscribe and follow the 4xOverland YouTube channel to stay up to date with the project. Alternatively, visit www.4xoverland.com/4wd-hiace-tourer to learn more about the project.
